ANCIENT RECORDS OF EGYPT.

Historical Documents from the Earliest Times
to the Persian Conquest.

Collected, Edited and Translated, with Commentary

BY

JAMES HENRY BREASTED, Ph. D.

5 Vols. Roy. 8vo. cloth. price £ 3.11.6 net. or singly Vols I to IV. 16s
Each. Vol. V. 8s 6d.

In the selection of documents for the present series of *Ancient Records of Egypt* the aim has been to incorporate only those of a distinctly historical character. All exclusively literary, scientific, religious, or business documents are therefore been excluded, unless of such a nature as to throw an important sidelight upon special phases of the social or political life of the people. The volumes thus include the entire series of documentary sources from which we draw our knowledge of the history of ancient Egypt.
